Docket No.: 2565-0198P

**Proposed Date of Interview:** January 18, 2006

**Proposed Time:** 10:00 AM

**Type of Interview:** Personal

**Exhibit To Be Shown or Demonstrated:** No

**Issues To Be Discussed:**

<u>Issue</u>	<u>Claims</u>	<u>Prior Art</u>
(1) Rejection	Claims 19-24	Nomura (C 2,112,145)

**Topics of Discussion:**

- (1) Differences between present invention and Nomura
- (2) Potential claim amendments based on discussion in Topic (1)

**Additional Comments:**

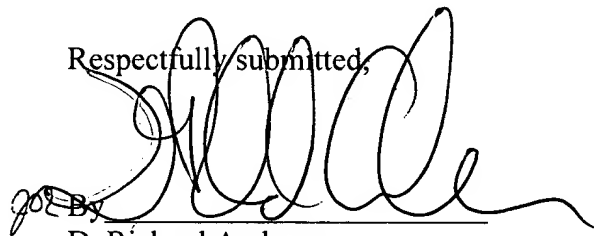

- (1) Three of the Applicant's representatives are traveling from Japan to attend this interview. The participation of these representatives will be particularly helpful in developing and clarifying specific issues, in order to lead to a mutual understanding between Applicant and the Examiner. Thus, the interview is a proper means of advancing prosecution under MPEP 713.01.
- (2) This interview is to be grouped with two other applications (11/090,227 and 11/188,624). MPEP 713.05 (last paragraph) states that grouped interview practice is effective for representatives remote from the Washington, D.C. area.

- (3) The most recent interview with the Examiner on March 24, 2004 was effective in advancing prosecution because it resulted in a withdrawal of the rejection based on Kondo (US 5,867,815).

The Examiner is requested to please call Applicants' representative, Jason Rhodes, at the Examiner's earliest convenience at 703-208-4011 to confirm scheduling of the personal interview on January 18, 2006 at 10:00 a.m.

Dated: December 14, 2005
